

**Customer Feedback:**

“After being charged by another company for two failed attempts to get rid of this bug, I was surprised how fast and inexpensively you took care of the problem.”

*Dave Craynon, President  
– Craynon Fire Protection*

“She is the consummate professional, yet pleasant and friendly - someone you look forward to seeing in your office. I would recommend her skills to any business.”

*Dr. Brian T. Kernan,  
KERNAN Oral Maxillofacial  
& Implant Surgery*

“More important than her ability to design the website has been her technical abilities in networking our computers and updating our systems. She has been an invaluable resource in keeping us operational.”

*Thomas Konicki, D.C. &  
Bethany Schumacher,  
D.C., owners, Konicki
